

MAGICBONDTM

CleanPRO

General Purpose Tile Cleaner

Product Description:

MagicBond – CleanPRO is a high quality rapid cleaner and degreasing solution for all types of tile/stone surfaces, designed to be used for various application.

Areas of Application: Ideal material for cleaning the surface before the application of epoxy products.

It effectively removes cementitious stains upon tiles in new bathrooms, toilets, washbasin, marks under metal buckets, and heavy build-ups of industrial grease/oil/paint stains.

Suitable For:

Effectively cleaning and degreasing solution for mosaic, ceramic, glazed tiles, bathtubs, washbasin, old mineral deposits, soap scums, and body oil blemishes found in shower areas, pools, & spas.

Advantages:

- Fast Acting
- Active Ingredients
- Soft on Glazed Tiles
- Industrial Bio Wash
- Removes Hard Stains Easily
- Easy to Use

Packaging: Available in 1 liter bottle.

Color: Orange Liquid

Coverage:

Up to 5 – 6 m² / l in undiluted condition.

*Coverage is based on the porosity of the surface.

Performance Properties:

Specific Gravity @ 30°C	1.002 +/- 0.001
Viscosity @ 30°C	Equal to Water
Soaking Time	5 mins
pH	1.0 to 2.0

Specifications are subject to change without notification. Results shown are typical but reflect test procedures used. Actual field performance will depend on installation methods and site conditions.

Shelf Life:

Factory packed bottle of MagicBond – CleanPRO carries a shelf life of 24 months, if stored in cool & dry place.

INSTALLATION

Surface Preparation:

- The substrate should be completely dry before the application of MagicBond – CleanPRO.
- Depending upon the extent of deposition of stain / grease /moss etc., spread the cleaner in undiluted concentration.

Mixing & Application:

- Transfer MagicBond – CleanPRO in a container & dilute it with water in 1:1 ratio. Other dilution can be undertaken depending on the requirement.
- Wear hand gloves (an acid resistant, if possible) & moisten a sponge/cloth with the liquid.
- Apply it on the surface to be treated. Wait 4-5 minutes.
- Scrub the surface with a stiff bristle brush / broom followed by washing with plenty of water for a spotless & glistening surface.
- Keep on applying the cleaner, until a clean & sound substrate, free from any kind of stain, grease, oils, wax, polish etc. is achieved.

Safety Precautions:

- Avoid contact with skin & eyes.

- Keep out of reach of children.
- If swallowed, contact immediately for medical attention.
- It is advisable to use clinical gloves while using MagicBond
 - CleanPRO as some people with sensitive skin may experience mild itching or irritation.
